LB 263, 263A

SPEAKER LUEDTKE: Final Reading. All legislators are to be at their desks. All nonlegislative personnel will leave the floor. Sergeant at Arms will see that this is accomplished and we will proceed then with Final Reading, the Clerk reading LB 139. I think I will take the Clerk's suggestion that we take one of the longer bills to give more people time to get here. So why don't we start with 263. LB 263 and the Clerk will read for Final Reading, LB 263.

ASSISTANT CLERK: LB 263 read on Final Reading.

SPEAKER LUEDTKE: All those in favor vote aye, opposed nay. Have you all voted? Record the vote.

ASSISTANT CLERK: Record vote read. (See page 1487, Legislative Journal.) 27 ayes, 13 nays, 6 excused and not voting, 3 present and not voting, Mr. President.

SPEAKER LUEDTKE: LB 263 passes. We will take up LB 263A and then we will go back to the original order beginning with 139 as soon as we finish 263A. The Clerk will read LB 263A on Final Reading.

ASSISTANT CLERK: LB 263A read on Final Reading.

SPEAKER LUEDTKE: All provisions of law relative to procedure having been complied with, the question is, shall the bill pass? All in favor vote aye, opposed nay. While we are waiting, Senator Warner, the Chair would like to address a question to you as to whether or not this is one of the A bills that would require 30 votes in view of its exceeding the Governor's budget, in view of the fact, this is a revenue measure as well. It is under the \$50,000 though, so that might have some bearing. It is only \$7,000. Just asking Senator Warner if that would have any affect on it. You are on, Senator Warner.

SENATOR DeCAMP: For the interest of those concerned, the A bill doesn't affect the implementation of the bill either way whatever.

SPEAKER LUEDTKE: Okay. Senator Warner is trying to get an answer on this thing. I don't want to rule on it until I get an answer on the 30 votes. Senator Warner.

SENATOR WARNER: Mr. President, I would presume, looking at the, sorry, I am just checking here, almost, not quite, but looking at the level that was approved by the Governor for that program and what the committee has recommended for total appropriation, I would guess that it is an addition to what was recommended. This is all out of cash funds, is it not?

SPEAKER LUEDTKE: It is all out of cash funds, isn't it? Is that right, Senator DeCamp? It is all out of cash funds?

SENATOR WARNER: It does not have the emergency clause?

SPEAKER LUEDTKE: No, it does not.

SENATOR WARNER: Mr. President, I suppose to be safe, I did indicate to the Governor and I am remiss for not checking
